SURVIVAL ESSENTIALS

We've all heard stories of someone stranded, alone, in a remote wilderness. Some survive against almost impossible odds, while others meet a tragic fate. What choices make the difference between life and death? What is the first thing YOU would do? Survival Essentials will help you answer these questions, and learn the life-saving wilderness skills you need to embark on outdoor adventures with confidence. Through this engaging, hands-on experience, you'll explore the seven priorities of survival – the seven key elements to making it out alive.

Adventure Highlights

- 2 days/1 night
- Survival training
- Hiking prep
- All meals included
- Memories to last a lifetime
- Small group environment (10 maximum)
- Hands-on learning

Travel Arrangements

Your adventure begins and ends at the Mountain Shepherd Lodge in Catawba, VA. The nearest airport is Roanoke (ROA), which is approximately a 30 minute drive time. Arrival time is by 9:30 Saturday morning. The course concludes by 1:00 on Sunday.

Activity Level

Easy to Moderate

There will be a 1/4 mile, 10-minute hike to the teaching campsite (this does begin with a short, steep climb). At the end of the day, the group will walk back to the Lodge for dinner, and the option to pack-up for an evening out under the stars back at the campsite.

Day 2 will also involve a short hike to the campsite to continue the survival training, with the option to do a little hiking on the property on the way back to the Lodge.

Who Chooses This Course

Outdoor experience levels do not matter. We have students with no experience, to occasional weekend hikers, to warriors of the wilderness.

Everyone learns valuable information in this course. You will leave prepared to help yourself and others while on any adventure.

What's Included

Gear

The only required items are weather appropriate clothing and comfortable tennis/walking/hiking shoes or boots. You don't need to buy a thing. The equipment list includes gear you should always have with you on an outdoor adventure. Bring what you have or borrow from us. We have everything you'll need. It's best to borrow before you buy. Part of the training includes gear recommendations for your personal survival kit.

Meals

Yes, you'll learn which bugs are edible and how to identify them - but eating them is optional! All meals and snacks are provided, with plenty of options and dietary accommodations available.

Overnight accommodations

This is your adventure! You may choose to fully embrace the experience by spending the night in an improvised survival shelter. It's also totally fine to sleep in a tent, a hammock, or a bunk in the lodge. The choice is yours.
