GEMS: CROWNING JEWEL

For those GEMS who have spent many a summer at Mountain Shepherd, we present Crowning Jewel! This session invites GEMS back to Mountain Shepherd for five days of new and exciting outdoor adventures and leadership development. Crowning Jewel challenges girls to use every skill they have learned at Mountain Shepherd to tackle their final challenge - confidence in planning their custom adventures. One example is base-camping at Hungry Mother State Park while adventuring to the highest point in Virginia - Mount Rogers, biking the famous Creeper Trail from Whitetop to Damascus, soaring over one of the longest ziplines in Virginia, and enjoy tubing on the New River.

Who Chooses This Course

This program is designed for GEMS who have completed a minimum of 2 years of other GEMS camps.

What's Included

Gear

The only required items are comfortable, weather-appropriate clothing and a pair of walking/hiking shoes or hiking boots, and river-appropriate footwear. Closed-toe shoes are required; no flip flops, sandals, or other open-toe shoes. To avoid blisters and other injuries, we don't recommend campers bring brand-new shoes or boots to wear during camp. Our packing list specifies required items and offers some suggestions for optional items. We provide basic toiletries, towels and linens, and all outdoor equipment.

Meals

Breakfast, lunch, dinner, and snacks are provided daily. Campers enjoy delicious, balanced home-cooked meals, and we can accommodate for allergies and dietary restrictions as needed.

Overnight accommodations

All GEMS campers are housed in Mountain Shepherd's cozy bunk rooms with private bathrooms attached for a portion of the week. During GEMS: Crowning Jewel, we will camp together in tents at Hungry Mother State Park.
