GEMS: SHINING BRIGHT

GEMS Shining Bright enables girls to find courage, build confidence, and show compassion for others. This five-day overnight experience is designed for girls going into grades 6th-9th, with backcountry survival skills training, environmental education, and adventure activities. During Shining Bright, girls discover the seven survival priorities: positive mental attitude, first aid, shelter, firecraft, signaling, water, and food. This experience introduces girls to the parallels between each survival priority and their lives in the "front country." Girls leave camp Shining Bright, ready to take on new challenges!

Adventure Highlights

- 5 days/5 nights
- Outdoor fun!
- Survival Skills
- Team-building
- All meals included
- Memories to last a lifetime
- Small group environment (10 maximum)
- Hands-on learning

Travel Arrangements

Each session begins on Sunday afternoon between 5:00 and 6:00 pm and wraps up on a Friday afternoon at 4:00pm. Airport pick-up and drop-off from Roanoke-Blacksburg Regional Airport (ROA) is also available with prior notice.

Activity Level

Easy to Moderate

Your camper will spend the week exploring Mountain Shepherd's 100-acre property, which borders the Jefferson National Forest. There will be lots of opportunities for hiking and learning around the property, which has varying terrain.

Who Chooses This Course

Outdoor experience levels do not matter. Campers with no experience, weekend day-hikers, and seasoned wilderness warriors are all welcome to partake in the Girls Empowered experience. No matter what experience you arrive with, we hope each girl leaves feeling empowered by the benefits of outdoor learning. This program is designed for girls entering grades 6 and up. Each session is open to mixed age groups for a unique peer-to-peer experience.

What's Included

Gear

The only required items are comfortable, weather-appropriate clothing and a pair of sturdy sneakers, walking/hiking shoes, or hiking boots. Closed-toe shoes are required; no flip flops, sandals, or other open-toe shoes. To avoid blisters and other injuries, we don't recommend campers bring brand-new shoes or boots to wear during camp. Our packing list specifies required items and offers some suggestions for optional items.

We provide basic toiletries, towels and linens, and all outdoor equipment.

Meals

Breakfast, lunch, dinner, and snacks are provided daily. Campers enjoy delicious, balanced home-cooked meals, and we can accommodate for allergies and dietary restrictions as needed.

Overnight accommodations

All GEMS campers are housed in Mountain Shepherd's cozy bunk rooms with private bathrooms attached. During GEMS: Shining Bright, there are opportunities to camp together in tents on the property for campers who are comfortable doing so!

Equipment and Property Care Policy

Campers are responsible for the equipment issued to them and should care for it like their own. Equipment is expected to be returned in the same condition in which it was issued. Campers should be proactive about contacting staff to fix damaged equipment. Issued equipment varies depending on the GEMS level, but may include: backpacks, tents, knives, sleeping bags, sleeping pads, camping stoves, flashlights or headlamps, first aid kits, and other gear provided by Hollins University Outdoor Program (HOP) or Mountain Shepherd.

Campers are expected to respect Mountain Shepherd property, indoors and outdoors. Bunks and bathrooms should be kept tidy, trash should be put in garbage cans, and gear should be stored properly. While outdoors away from Mountain Shepherd, campers and staff will practice Leave No Trace ethics
